

CLINTON HILL NEIGHBORHOOD COUNCIL

Executive Meeting

December 5, 1960

The Executive Committee met at the home of Mildred Helms on the above date. Mary Robinson, Rose Heyman and Hazel Sayles were invited to the meeting. Hazel Sayles was nominated for Secretary.

Two merchants, Al Levinson and Neil Zucker, from Clinton Avenue spoke to the group about converting the parking lot to a super market. After the gentlemen left, the committee decided on two steps:

1. Contacting Mrs. Cooper about that problem and the possibility of acquiring additional land to enlarge the park.
2. Initiating a study group to work on a counter proposal to the merchants.

Hickman Holmes stated that the membership drive is in process. There will be certificates for the blocks having the most new members.

Warren Brothers will find out about the Council's selling unprinted or personalized T-shirts.

Rose Heyman reported on the Rooming House Ordinance. The Associated Councils accepted the bill but stated reservations concerning and health precautions. A group will speak at the City Council to discuss the reservations; Stanley Winters will speak for the Neighborhood Council.

The pros and cons of a recreation program was discussed. The main obstacle is personnel. A suggestion was made that the working committee be recruited from the block branches. However, getting a Chairman is a problem.

Stanley Aronowitz presented the statement from the Education Committee which was accepted by the Executive Body. This statement will be voted on at the Assembly meeting on December 8, 1960.

The main topic of the Assembly meeting will be "Equal opportunity in Housing". Frances Levinson and Sylvia Bluestein will discuss the problem on the national as well as the state level.

The Executive Committee will meet with the Mayor on December 13. The agenda for that meeting will be prepared on December 11 at the home of Warren Brothers.

The Birthday Party is being scheduled for February 19.

The meeting was adjourned.

Respectfully submitted,

*Hazel Sayles*
